

How to Play

For Newbies...

When first playing the game, you should be aware of each part on the screen does:

1) Fog of War (FOV):

- This is your field of vision. This area will follow your tank around and will limit some of your vision.

2) Tank:

- This is your tank. Your abilities are the move (W, A, S, D), shoot (Mouse Click) and place landmine (Space Bar).

3) Scoreboard:

- This is the server scoreboard. It will record kills among the four different tanks and be displayed at the top-right. Your

GOAL IS 15 KILLS!!!

4) Chat Box:

- This is the server chat. You can type between the enemy

The Colours of Tanks
